

"I've Never Seen a Pump that Lasts as Long as this Pump"

These are the words from one roof cleaning professional that tried many different pumps before he found one that would really last.

Don't take our word for it – try it for yourself. The NEW CDS-

John Blue DP-43-GRPC Diaphragm Pump is built to handle the tough stuff – high ph chemicals and chlorine products. So make it easy on yourself and your equipment - get rid of that mold and mildew with the reliable, high quality, NEW mini-poly CDS-John Blue DP-43-GRPC.

Plus check out our complete line of diaphragm and piston spray pumps to fit your high pressure needs. Visit www.cds-johnblue.com or call 800-253-2583 for more information.
